

English

In English this half term we will continue to use different quality texts as inspiration for our writing.

We will be developing our sentence writing skills using colourful semantics.

We will take part in drama activities, text interrogations and partner work to inspire us as writers.

Phonics:

We will be continuing with our daily phonics sessions, which connect to our reading books. Please read each night and record in your reading record.

RE:

This term, we will be looking at what Muslims believe in and how they worship their god, Allah.

PE:

PE will take place every Tuesday afternoon. Our activities will focus on team work as well as our physical skills. P.E will take place on a Tuesday afternoon. Full P.E kits must be worn.

Zones of Regulation

We use zones of regulation to encourage children to recognise and regulate their own emotions.

Science

We will be continuing learning all about materials and we use them in our everyday life. We will be exploring how materials change and conducting a series of experiments to find out which materials are best suited for our everyday objects.

SALT activities will take place daily during 1:1 or small group sessions.

Geography:

In Geography, we will be focusing on our world. We will start by exploring continents and oceans on our planet. We will also focus on identifying the difference between human features and manmade features in hot and cold countries. We will be focussing on our continents and exploring the 4 countries of the United Kingdom.

Homework:

The Linked Learning Grid can be found on Class Dojo. Please complete an activity each week. Paper copies will also be available and will be sent home next week. Please remember to bring in any completed activities.

We hope you find this newsletter useful and if you have any questions or queries, please don't hesitate to contact me on Class Dojo.

Thank you, Miss Donoghue

Maths

In Maths, we will be deepening our knowledge and understanding of numbers and introducing shape, space and measure.

We will apply this knowledge to everyday life through working on our reasoning and problem solving skills through directed and child lead learning.

We will also have opportunities to complete work independently to boost our independence skills.

PSHE:

We will be exploring money and how money is represented in different ways in our society.

Forest School:

Every **FRIDAY**, Acorn will take part in forest school, where we learn the skills of outdoor survival! Please bring in wellies, socks and a waterproof coat.

Choose Time:

At the end of our activities we are allowed a choose time. If you have suggestions for activities please let me know. We enjoy construction, craft making and small world play.
