

Knowledge Organiser - Year 1 - Summer 1

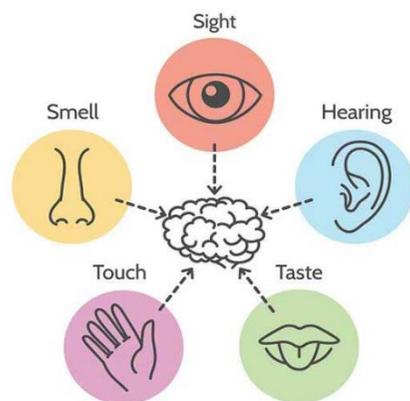

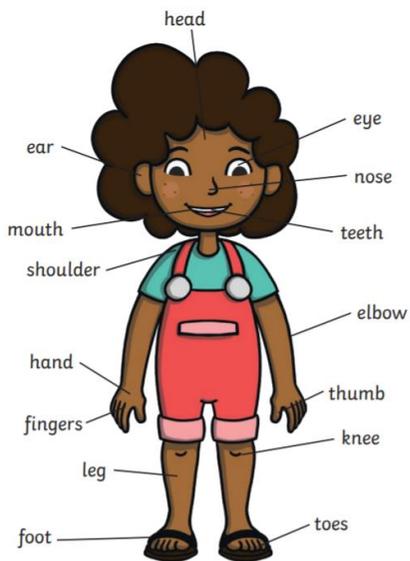

Animals including Humans

Key Knowledge

Humans have 5 senses these are; sight, hearing, touch, taste, and smell.

Sight	Your eyes let you see all the things around you.
Hearing	Your ears let you listen to your surroundings. Your brain is able to tell what different sounds are.
Touch	Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!
Taste	Your sense of taste comes from your tongue! You can tell if something tastes bitter or sweet.
Smell	You use your nose to smell. You can tell if things smell nice or not!

Great Fire of London Key Events and Facts

When and where did the fire start?	Sunday 2 nd December 1666 in Thomas Farriner's bakery on Pudding Lane.
Why did the fire start?	The fire used for baking were not put out properly.
Why did the fire spread so quickly?	In 1666, the building in London were made of wood and straw and they were very close together, making it easy for the flames to spread. It has also been a very dry Summer, so the building were dry. Strong winds were blowing too, helping the flames spread.
How did people try to put out the fire?	People used leather buckets and water squirts to try and put the fire out, but there did not work. Later in the week, King Charles II ordered the building to be pulled down to stop the flames spreading.
How / when was the fire put out?	Thursday 6 th September, the wind had died down. This meant that people were able to put out the flames.
